

Missions Update

Dear Friends,
 Each of the Maine Church Planting Network churches conducted outreach events over the past two weeks. We look forward to great results in the weeks to come. On Saturday, October 30, the Kennebec Community Church conducted our first outreach event in China, ME (the location of our next church plant). We had a wonderful event with well over 200 people in attendance! We had several great conversations with local people and look forward to our follow up with them.

Please continue to pray for our network churches as we move into the winter months. Our building expenses are greatly increased at this time of year. Snow is on the

way! (Feel free to come up and play anytime.)
 Please pray for our "Support Raising" efforts for our network administrator/associate pastor/planter (Dan Coleman). We are so thankful for God's provision! He is SO faithful!
 Our first Bible study in the China area will begin in January. We have a strong lead on a possible facility to use for worship and special events as we move forward. Our next outreach event will take place on

December 5. Please pray that God will continue to direct our steps and show us His timing for the new church plant.

Thank you for praying for us!

Chris
